“THIS IS ME” a biography, not in words but in music. Twenty amazing tracks to enlighten your soul! From the first track **“Don’t tell me lies”**, catchy & sweet to the last song **“The precious gift of life”** a special **LIVE** performance exclusively recorded for this **International Deluxe Edition**.

The majority of the songs are written by Gisella herself; refined pop melodies with a particular european flair. **Love and friendship** are the predominant themes; a cure and remedy to hardship and emptiness which one may encounter in life .

From “Friends”, “2 Hearts Together” and “The Precious Gift of Life”, in which Gisella evokes positivity and passion, to passages in life like “Real Woman”, “On My Own” and “Way Back Home”, a means to find one’s true identity and self-esteem.

In this album, Gisella has collaborated with **Laura Pausini**, one of Italy’s most famous and world-wide renowned female artists, in **“Good Morning Happiness**. This song was previously recorded only in italian, by an ‘a cappella - boyband, **“I Neri Per Caso”**. In this new version Gisella combines both the English and Italain langauge, which presents a unique and interesting sound to the song, representing also the dual background of the artist.

“THIS IS ME” also includes **“Joy”**- ‘I feel good, I feel fine’, the theme song of an extremely famous Italian Tv. An Ad which has become, due to many years of airplay in ITALY, an ‘evergreen’ and famous ‘summer’ hit. Recognisable and characteristic for its’ fresh and ‘summery’ feel.

In this new **INTERNATIONAL DELUXE EDITION, 2018** Gisella has included various Italian songs, one of which is an original track, **“Senza Fiato”** co-written with one of Italy’s finest guitarists’ Paolo Petrini. Other Italian covers have also been included some of which Gisella has always loved to sing in her repertoire, written by Tozzi, Celentano Gino Paoli and many others.

THIS IS ME , an album with an International feel, just like the artist herself. A mixture of cultures and international influences that reveal both Gisella’s Australian ‘true-blue’ origin and Italian background.
